“Take up one idea. Make that one idea your life—think of it, dream of it and live in that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea and just leave every other idea alone. This is the way to success and that is the way great spiritual giants are produced.”

-Swami Vivekananda

Assimilating the very words of the legendary spiritual leader, Swami Vivekananda, the students of the house ensured that the achievements and blessings stayed with them as they showed their great performances in the arena of sports, in the class room and on the stage. The year started off with the appointment of Amar Kharb and Akanksha Dureja as the House Prefects accompanied by Shlok Bansal and Nisha Aggarwal as the Sports Prefects of Vivekananda House.

In the Inter-House sports competitions, the boys and girls of the house strove for the top positions. With Shlok Bansal at the helm of affairs, the Soccer team clinched the first position for itself in the Inter-House Football Tournament. Shlok was adjudged the best player of the tournament.

The Senior Basket Ball team (Girls) led by Jyoti of class XI-B dribbled her way through the rubble and reached the finals to clinch the trophy. Ananya Dilbaghi of IX-A was adjudged as the best player.

The Basket Ball team comprising of junior boys as well as the senior boys reached the finals too in the Inter-House Basketball Tournament in their respective groups. However, short of just a few baskets, the teams (both junior and senior boys) declared the Runners-Up.

The Hockey team showed its mettle on the field as well and proceeded to bag the winner’s trophy. The team was led by Chandermani of class XII-D.

The children participating in the Inter-House Dance Competition (Duet and Group) lived up to the expectations of all by winning the overall second position.
In the Inter-House Non-Fire Cooking Competition, the team from Vivekananda House made their presence felt by clinching the third position.

Academics have always been the hallmark of Vivekananda House as the children of our House, with their persistence and hard work went ahead to carve a niche for themselves in scholastic domains too by standing first in Inter-House Heritage Quiz, second in Inter-House Cyber Quiz and third in Science Quiz respectively.

On the whole, the House endeavoured to instill in each pupil a sense of responsibility and sportsmanship thereby achieving the aim of holistic development. The children were taught to remain focused in whatever they participated and that was the key to our success.
