“Excellence is a habit. It is to take a common thing in an uncommon way. It is made constant through the feeling that comes right after one has completed a piece of work which he himself finds undeniably awe-inspiring. The will to win, the desire to succeed, and the urge to reach your goal unlocks the door to personal excellence. The students of OPJMS have always striven hard to attain excellence in all their endeavours. They leave no stone unturned to reach the pinnacle of success because they believe that excellence is an art won by training and habituation, the result of a commitment to perfection, intelligent planning and focused effort.

The academic session 2013-14 was reminiscent of the incessant efforts made by OPJMSinsas in order to attain perfection in every academic activity organised during the period between 28th Sept. to 1st Oct 2013.

Chaitanya Bansal of class XI bagged first prize at zonal and district level Declamation competition held on 22nd and 30th Oct 2013, and made the school proud by qualifying for the State Level Competition to be held at Karnal on 7th Nov. 2013.

Bhavi Jain of class X-E brought laurels to the school by receiving the certificate of Excellence and Trophy for her outstanding efforts at the State Level Dainik Bhaskar Junior Editor II Competition held in the month of May 2014.

Our quiz wizards, Anuj of class X and Vishesh Raina, of class IX outshone their opponents at the Bharat Ko Jaano’ – a district level quiz competition organised by Bharat Vikas Parishad on 27th Oct 2013 by bagging the first prize. They further impressed the selectors by qualifying for the state level.

There is no denying the fact that Science holds in itself a promise for a better future and a better world. With this lofty thought in mind, OPJMS lays emphasis on the learning of science, not as a subject, but as a means to a brighter future. A team of four students – Umang Aggarwal, Prashant, Ajay of class XII and Sahil Sahu of class XI clinched the first prize in XIX All India Inter-School Science Quiz – PRISM 2013 organised by BRCM Public School, Bahal on 23rd and 24th Oct 2013.

The month of November ensued many more moments of pride and honour for OPJMS. Chaitanya Bansal of class XI proved his mettle by striking a hat-trick again to bag the first prize at the State Level Declamation Contest held on 7th Nov. 2013. He was honoured by the Hon’ble Governor of Haryana, Sri Jagannath Paharia in a formal ceremony on 14th Nov. 2013 at Rewari.
Two students participated in the Science Essay Writing Competition organised by Haryana State Council of Science and Technology on 15\textsuperscript{th} Nov 2013 where in Daksh Mehta of class XI qualified for the Zonal Level Competition. The school team participated in the District Level Science Quiz and impressed everyone with their knowledge, bagging the first prize and qualifying for the Zonal Level.

Sanskrit, being the mother of all European languages and a legacy passed on to us by our ancestors, has not lost its importance in today's ultra-modern world. We, at OPJMS, understand its significance and do our best to inculcate among students a love for this ancient cultural heritage. A group of 4 students participated in the District Level Gyan Competition organised by Haryana Sanskrit Academy, Panchukla on 28\textsuperscript{th} Nov 2013 and received certificates and cash prize. Vishesh Raina of class IX, Anuj Gupta of class X received a cash prize of Rs. 1000 each in the District Level Sanskrit Gyan Quiz Competition organised by Haryana Sanskrit Academy, Panchkula on 29\textsuperscript{th} Nov. 2013.

Three students from class X participated in the CBSE Heritage India Quiz held at DAV Public School, Gurgaon on 9\textsuperscript{th} Dec 2013 and made their almamater proud by qualifying for the city Chapter, Regional round and National Semi Final rounds. In the National final round on 17\textsuperscript{th} Dec. 2013, the team scored the fourth position among a whopping 1100 schools from eight regions.

The dawn of the year 2014 brought with it new hopes, aspirations and a new vision to reach the zenith by shattering new records and grabbing more recognition. Proving their mettle in Science, a team of three students of class XII bagged the first prize in the Zonal Level Science Quiz organised by Vaish Girls Sr. Sec. School, Charkhi Dadri on 19\textsuperscript{th} Jan 2014 and won a cash prize of Rs. 3100/- and a trophy. The feat was matched by 46 students from class III to XII who cleared the first level of the National Science Olympiad 2013 conducted by the Science Olympiad Foundation, Gurgaon.

OPJMS helps to ignite young minds to create awareness about their surroundings and use Science as a torch to illuminate the world. Rishabh Jain of X-E secured third position in IGNITE, a National Level Quiz Contest organised by VIT University, Vallore in association with the Times of India Group on 17 Feb. 2013 and was awarded with an all-expense paid trip to NASA, USA. Rishabh also topped in the regional level contest held on 2\textsuperscript{nd} Feb 2014 in New Delhi.
Sahil of class V, Ayush of class VI and Aman Chauhan of class VIII received certificates of outstanding performance in the ASSET (Assessment of Scholastic Skills Through Educational Testing) conducted by Educational Initiatives, Ahmedabad among the overall top 1% students per class country wide.

Aditya and Soumya of class XI continued the winning streak by receiving a cheque of Rs. 2100/- each as first prize in the District Legal Literacy Competition organised under Legal Literacy Mission by Dept. of Secondary Education, Govt. of Haryana in the PowerPoint presentation and Documentary Film categories respectively.

The month of April witnessed yet another series of events and accolades. Inter House Hindi and English Debate was organised on 26th April 2014 for Middle and Senior Group while students of class V participated in Inter House English Recitation and students of class IV were assessed for Hindi Creative Writing.

The budding scientists from OPJMS once again outshone their competitors to bag gold, silver and bronze medals for their outstanding performance in the first level of 16th National Science Olympiad.

Eleven students of the school qualified for the JEE (main) examinations, paving way for other youngsters to follow suit.

Keeping up its winning spree, OPJMS added more feathers to its cap when the results of AISSCE 2014 were declared on 28th May 2014. OPJMSians performed phenomenally well with the highest percentage being 97.8% in Commerce, 97 in Non-Medical and 96.2 in Medical stream. 69 students scored above 90% in overall aggregate.

Students of OPJMS performed exceptionally well in the AISSE 2014 as well. The perfect 10 figure in terms of CGPA was attained by 54 students out of 269, whereas 129 students achieved CGPA 9.

Following the footprints of their seniors, students of OPJMS once again mesmerized one and all with their exemplary performance in the 16th National Science Olympiad. Varun Malik of class X of the 2013-14 batch brought laurels to the institution by securing first rank in the state and the third international rank. His performance is noteworthy since this year more than 27000 schools from over 1350 cities in 16 countries registered for the Olympiad and millions of students appeared for them.
The junior were not far behind. They matched the performance of their senior counterparts when Sahil and Manya of class VI secured 4th rank in the 5th National Level Abacus Competition Pvt. Ltd. New Delhi.

After a refreshing summer break the month of July revived fresh challenges and hopes for the students of OPJMS who participated in a variety of competitions with renewed vigour and spirit. Umang Aggarwal, Prashant Chauhan and Samridhi of class XII (2013 BATCH) were awarded a scholarship for Higher Education (SHE) by the Dept. of Science & Technology (DST) Ministry of Science & Technology, Govt. of India under innovation in Science pursued for inspired Research (INSPIRE) on account of their score falling in top 1% at class XII exams. Under the scheme, they would receive scholarship valued 80,000/- per year against their enrolment in Bachelor or Integrated Master’s Level Programme in Basic and National Science Courses.

Abhi Raheja of class X, an active member of the school photography club, was adjudged as the Best Photographer in The Model United Nations held at Thappar University, Patiala. He was also selected as the Head of the International Press in Model United Nations held at Jaipur Law University on 12th and 13th July 2014. He was awarded a cash prize of Rs. 4000 and was invited to attend MUN at the Mumbai Conference, IIT Guwahati and Taj Vivanta, New Delhi.

To commemorate the birth anniversary of Founder, Sh. OP Jindal’ on 7th August 2014, OP Jindal Memorial Inter-School Debate Competition was organised. Participants from 14 prestigious schools across the country ensued a battle of wits with their sprightly disputation from both pro and anti-groups on the topic ‘Peaceful Co-existence is a myth in the world where night is right’. The running trophy was clinched by OPJMS, but it being the host school, the same was awarded to the second team.

Vishesh Raina of class X exhibited exemplary performance and stood first at the District Level Science Seminar organised by National Science Centre, New Delhi on 13th August 2014 at the Centre for Bio-technology, CCSHAU, Hisar. Having secured the third position in the State Level Science Seminar held at SCERT, Gurgaon, he bagged a cash prize of Rs. 750 and a participation certificate.
Elocution being the art of public speaking with expert control of gesture and voice etc., our students have mastered it and proven their oratorical expertise time and again. At the Raunaq Inter School English Elocution Competition on 23rd Aug 2014, the students made a clean sweep with Vansh Sehrawat of class V and Prithvi Sihag of class X bagging the first prize in their respective categories while Anushka Juneja of class VIII and Chaitanya Bansal of class XII clinched consolation prizes. With his invincible oratory and expression, Pranshu Nagpal of class XII swept the third prize at the Inter-School English Debate Competition held at Birla Niketan, Birla Public School, Pilani an 31st August 2014. He left an indelible mark on the minds of the audience with his lofty views on ‘100% FDI in Defence Sector will turn India into a mere manufacturing centre and compromise its national security.’

The year 2014 brought for its students numerous opportunities for their perpetual grooming and honing so that they may emerge as Numero Uno who with their strength of character and strenuous efforts would touch the luminous portals of success and inspire posterity with their achievements in coming years.
